Grade	Scale	Definition
In Progress (IP)	N/A	The student is still in the process of completing the subject.
Advanced Standing (ADV STND)	N/A	Advanced Standing (ADV STND) is where a student has been exempted from a subject on the basis of Recognition of Prior Learning (informal or formal). No grade is awarded.
High Distinction (HD)	85 - 100	A High Distinction is the highest grade that can be awarded for a subject. If a High Distinction is awarded for a subject it signifies that the subject was completed with an exceptional level of competence
Distinction (D)	75 - 84	Distinction signifies that a subject was completed with an extremely high degree of competence.
Credit (C)	65 - 74	Credit signifies that a subject was completed with a high level of competence.
Pass (P)	50 - 64	Pass signifies that a subject was completed with an adequate level of competence.
Pass Conceded (PC)	49.99	A Pass Conceded grade is given to students who have not reached the required pass grade due to extenuating circumstances, but are considered to be competent in the area of study. Pass Conceded can be awarded by the Academic Dean of Studies ONLY.
Fail (F)	0 - 49	A Fail grade signifies that a subject has not been completed to the required level of competence.
Withdrawn (W)	N/A	This outcome applies when students withdraw from a subject after the census date.
